

St John of God Berwick, Langmore Centre Refurbishment

Kane Constructions was awarded the St John of God Berwick, Langmore Centre Refurbishment in mid-2021.

St John of God Langmore Centre (SJGLC) is a private mental health hospital located south-east of Melbourne. The facility provides comprehensive and holistic mental health care services.

The \$12 million dollar refurbishment transforms the former St John of God Berwick Hospital into a new excellence in mental health care facility.

The project scope included the demolition, new build and refurbishment of the site to create a new 60-bed mental health facility.

The project delivers both new build and refurbishment works to the following areas:

- 12-bed perinatal wing (new build)
- 7-bed special wing (refurbishment)
- 14-bed MHAOD wing (refurbishment)
- 27-bed adult wing (refurbishment)

The project was delivered in the third quarter of 2022.
